## ABOUT ME

Aspiring React.js Developer with a strong foundation in web development, eager to start a professional career. Proficient in HTML, CSS, JavaScript, and React, with a focus on building dynamic and responsive user interfaces. Passionate about writing clean, efficient code and enhancing user experience. Driven and quick to learn, I am excited to contribute to a collaborative development team and grow my skills by working on innovative projects.

## WORK EXPERIENCE

02/2024 – 08/2024 Rawalpindi, Pakistan

**SOFTWARE ENGINEER** ABS PRIVATE LIMITED.

- Developed and maintained web applications using .NET framework.
- Collaborated with cross-functional teams to define, design, and ship new features.
- Implemented responsive UI components using HTML, CSS, and JavaScript.
- Utilized React for front-end development to create interactive user interfaces.

09/2024 – CURRENT Islamabad, Pakistan

**WEB DEVELOPER** SWITCH COMMUNICATIONS

- Developed and maintained the Fitlex and Woman World websites using React.js.
- Created responsive and interactive UI components to enhance user experience.
- Integrated APIs to ensure seamless data flow and functionality.
- Collaborated with designers and back-end developers to implement new features.
- Optimized front-end performance for faster load times and better usability.
- Ensured cross-browser compatibility and mobile responsiveness using modern CSS techniques.
- Followed best practices to write clean, maintainable, and scalable code.

## EDUCATION AND TRAINING

09/2020 – 06/2024 Islamabad, Pakistan

**BSCS** Federal Urdu University of Arts, Science & Technology

**Website** <https://fuuast.edu.pk>

## PROJECTS

2023 – 2024

**Oven Nest Pizza**

Developed a full-featured pizza ordering website using the MERN stack (MongoDB, Express.js, React, Node.js). Implemented user authentication, dynamic menu management, and order processing features. Designed a responsive user interface to ensure a seamless experience across devices. Integrated payment gateway for secure online transactions. Optimized website performance and ensured cross-browser compatibility.
